

**CITY OF SHEPHERDSVILLE
REGULAR COUNCIL MEETING MINUTES
MONDAY, December 8, 2014**

Mayor Ellis stated that since we did not have a quorum of Council Members present there would be no meeting tonight. He asked outgoing Council members Clinton Kline and Faith Portman if they would like to say anything since this was their last meeting.

Council members present: Faith Portman, Clinton Kline and Gloria Taft.

Faith Portman: I want to say thank you to everyone, every citizen in Shepherdsville for allowing me to have four terms as a Council Member. I have really enjoyed it. My heart belongs to the City of Shepherdsville and always will. Although I won't be on the Council I will be at all Council meetings; I will harass the Council and Mayor and I will still take phone calls if you have any concerns or anything that you want to talk to me about; I will still accept calls. I will still address them. I'm going to be a lot of volunteering in the Community; I'm going to try to volunteer at the Soup Kitchen, I'm going back to the Bullitt County Women's Club to help out there; I'd like to see a homeless shelter come to Shepherdsville and I'm working hard on that right now. But I just want everybody to know that I'm here for you, the people and that's what I've always worked for. And I want to thank you again.

Clinton Kline: I have faithfully served for two years; I don't talk much and I'm going to keep up that thread tonight. Thank you all.

Mayor Ellis presented Clinton and Faith with a "Thank You" memento from the City of Shepherdsville for their service.
